

Write Your Spiritual Autobiography

with small group facilitator, **Charlene Marie Laure Vincent**

Masters of theological studies, Episcopal Divinity School, Masters of Sacred Theology, Boston University

Author "*Chances Are . . .*",
A spiritual autobiography by Marie Laure

- *Have you always had a desire to write but think you can't?*

You do not need to be a writer to write your spiritual story

Writing will help you process the events in your life and name the action of God in your life.

- *Do you lack time to put into writing those experiences (both painful and joyous) that have brought you closer to God?*

Being part of a small writing group promises that you will have dedicated time to write and to share your story in a sacred circle of listeners.

- *Do you sense resistance to writing your story while simultaneously sense a call to write your spiritual story?*
