

LIVE STREAM AND A/V OPERATOR

Reporting to the Director of Marketing and Communication, the Live Stream and A/V Operator will run the live stream of our Sunday services and assist with audio/visual needs throughout the morning. Live streaming includes operating cameras and a soundboard, paying attention to the program and planning your next shot. Services are at 9 a.m. and 11 a.m., other needs on Sunday mornings may include monitoring PowerPoint presentation and sound equipment in classrooms.

Hours are **Sundays from 8:30 a.m. to 12:30 p.m.**

There is potential to earn extra income by live streaming events on Sunday evenings and weekdays as needed. Pay is \$10/hour.

To perform the job successfully, an individual should demonstrate the following skills:

- Dependability—the individual is consistently at work and on time, follows instructions, responds to management direction and solicits feedback to improve performance.
- Attention to detail—the individual can follow the service and have the cameras ready to record each segment.
- Quality control—the individual demonstrates accuracy and thoroughness and monitors own work to ensure quality.
- High interest in Live Streaming, Broadcasting, Audio/Visual technology
