Clergy & musicians who are creating great services to an empty church that has created at least some semblance of normalcy. And a thank you to Kate for the Morning Prayers.

Thank you to Debbie and Kate for getting the CARES Act application submitted.

Thanks to staff for the Facebook & Zoom meetings they have planned.

Approval of Last Meeting Minutes

Bruce Barcelo made a motion to approve the minutes for the March 19, 2020 meeting. Claude Moulton seconded the motion. With no further discussion and no objection, the minutes were approved unanimously.

Finance Report and Budget Approval and Housing Allowance approval

Kate asked for a formal approval of the 2020 Budget. Bruce Barcelo moved to approve the budget; it was seconded by Claude Moulton. With no further discussion and no objection, the motion was approved unanimously.

Kate asked for a formal approval of the CARES Act loan submission. The amount was for \$234,343.00 which is 2 and ½ times the average monthly payroll. John Sefton moved to approve the submission, Jane Lester seconded and with no further discussion the motion passed unanimously.

Kate and Debbie have spoken with Bob Wood of Florida Logistics Solutions concerning a Historical Building grant from the State of Florida for funds to repair the exterior of the Cathedral. The Preservation Fund could be considered the church's match to the grant. Bob asked that the Vestry approve the submission. Martha Cox has recused herself as she is applying for the same grant for her work. She is not sure the Preservation Fund could be used as the cash match. Jane Lester asked what were the requirements for the match? Kate was not sure of an exact answer and Bob Wood is looking into those details. Steve Busey mentioned application of this type have been considered before and he stated that Vestry should have the entire application before them to be able to vote on recommending the submission.

Debbie gave a brief review of the financial documents attached. She said she would be happy to answer any questions they might have about the documents.

Claude asked for an explanation of the maintenance salary to a temporary agency. Debbie said she would review how the cost was coded.

Jayne Hill mentioned the Properties Committee has been looking at ways to forgo expenses that are not necessary at this time to manage cash flow at this time.

Kate will wait until the next meeting to receive allowance housing approval

Fr. Bob Dannals -Pastoral Care Update

A group of 50 people from the parish were contacted to ask them to contact a group of 700+ parishioners via phone call or email or handwritten note who are some of the most vulnerable during the pandemic. Just to see how they are doing and if they need anything at least once a week. Any prayer requests are being sent to the Daughter's of the King and any in depth pastoral needs that are identified are being referred to Fr. Jon Baugh. Jon has also been asked to put out a message to the parish to offer assistance to anyone who is suffering from mental health or substance abuse. Bob has also asked Owene Courtney to cultivating the founding of small groups so they feel a sense of connection while they are at home.

Jayne Hill mentioned the Parish Life Council met in early April to determine the best ways for the parish to connect during the time. Devanne out together a Zoom training session on the use of Realm to allow people to contact. They will continue to publish that training class.

Vestry Retreat Update- Bob Dannals

Bob has been working on the retreat but with the pandemic conditions he asks the Vestry their thoughts on trying to have something virtually in the spring or wait until the fall and have the entire experience then. Bob suggests waiting until the quarantine details have been realized based on Gov. DeSantis's guidelines. The group suggested waiting to the fall. Kate wants to hold shorter meetings in between the time of this meeting and the May 21st regular meeting. Bob suggested September 25th for dinner and September 26th for the full Vestry Retreat and an hour special meeting via zoom on April 30th at 6pm to discuss how the church will respond to the changes.

Dean's Report

Kate has been holding small funerals if someone is adamant about burying their family member. There is a spiritual awakening taking place during these troubling times.

Other Items for Discussion

Bruce Barcelo mentioned the need to approve the change of the name on the bank accounts from Meredith Cataland to Debbie Johnson. Jane Lester moved to change the contact name on the Cathedral bank accounts to Debbie Johnson. Bruce Barcelo seconded the motion. With no further discussion and no objection, the motion was approved unanimously.

Closing Prayer

Minutes submitted by Kitty Cash.

Income Statement Variance Analysis For the Three Months Ended March 31, 2020

Income:

- Total YTD contributions of \$415,856 are above the YTD budgeted amounts due to appeals to parishioners by Dean Kate and Bob to make their annual 2020 pledge.
- Total YTD Interfund of \$12,713 is below the YTD budgeted amount due to Grants and Fundraisers being less than budgeted.
- Total YTD Gifts / Bequests of \$80,864 is above the YTD budgeted amount due to the budget showing an evenly distributed annual amount while the actual amount was received during the month of March. The budget will be adjusted accordingly.
- Total YTD Annual Preservation Allocation is below the YTD budgeted amount due to a portion of the total approved allocated amount still waiting to be transferred to the operating account.

Expenses:

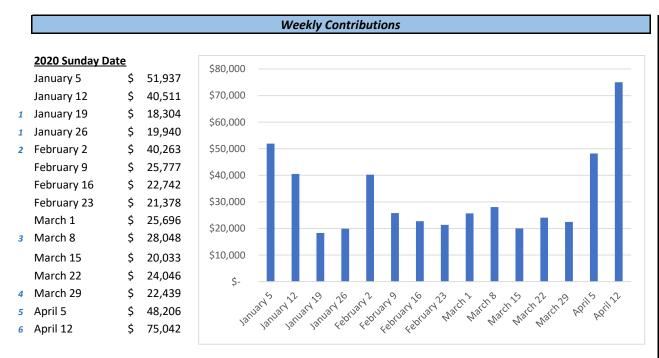

- All expense categories with negative variances will be reviewed to determine if variance is due to distribution of monthly budgeted amount with an update to follow.
- Maintenance Salaries of \$27,536 is above the YTD budgeted amount due to the use of a temp agency for an additional sexton. The contract with the temp agency was not renewed as of April 1.
